We are a Full-Service Event Company

Rentals: We have a full inventory of any items that you may need for your wedding or event. We can set-up any items that you have rented! If you don't see what you are looking for, we can create custom decor pieces to make your event unique to you!

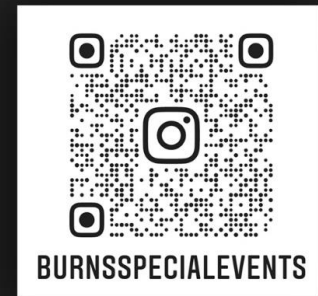

Event Design: Need inspiration for designing your event? We have Event Specialists who annually attend seminars and training around the country to stay on top of the latest trends in the event industry! They will help you create a master plan in our interactive design studio, where you can experiment with different looks and figure out your event vision.

This service is complimentary with rental reservations!

Event Planning: Let us help you bring your vision to life by planning, organizing and overseeing all aspects of the event! No event is too big or too small! We will ensure that the preparation, as well as the execution of the event goes smoothly and that you and your guests have a memorable and fun experience!

Floral: We can create your centerpieces in floral and non-floral options, boutonnieres, bouquets and ceremony decor. Work 1-on-1 with a Floral Specialist to create arrangements that will accent your event perfectly!

Day of Coordinating: We would meet with you the month before the wedding and discuss timelines, handle all vendor communication, and be available on-site the day of the wedding to ease your mind make sure everything is set up and runs smoothly without you having to worry about it!
