

## Margarita/Slushy Machine Instructions

Follow these instructions to operate the machine correctly. If you have any questions about proper use please call our office and ask for assistance (574) 259-4807. If the machine does not properly operate and it is after business hours choose the operator extension and leave a message in the voicemail.

1. Pour the margarita/slushy mix into a separate container. Follow the instructions on the bottle for proper mix ratio.
2. Pour the mix into each tank to the designated line labeled minimum for the lowest amount of mix to operate the machine and no more than the maximum line.

**\*Do not add alcohol to the tank until the mix has begun to freeze.**

\*If the mix does not begin to freeze after 2 hours of the cooling cycle hit the reset button.
